## **A SPIRITUAL PERSPECTIVE**

---

**By: Pastor Todd Shipley**

This is called a Christian 'Mandala.' Mandala is a Sanskrit word that simply means circle. Contemplative people for many centuries have used these images to calm and center their minds during prayer. Let's make some mandalas this Fall. First choose a word that represents a spiritual gift you would like to develop in your life and put that in the center, then begin to color it in a way that represents to you that gift. A simple example might be to put the word love in the center and color it varying shades of red. Spend your prayer time coloring this then simply gazing into it when you are done. Then make an appointment to share your mandala with me if you are comfortable with that. I will be featuring some of your mandalas this Advent season.

Too busy for prayer?

**Mark 11:22-25**

**"Have faith in God. Truly I say to you, whoever says to this mountain, 'Be taken up and cast into the sea,' and does not doubt in his heart, but believes that what he says is going to happen, it will be granted him. Therefore I say to you, all things for which you pray and ask, believe that you have received them, and they will be granted you. Whenever you stand praying, forgive, if you have anything against anyone, so that your Father who is in heaven will also forgive you your transgressions. "But if you do not forgive, neither will your Father who is in heaven forgive your transgressions."**

Emma graced the service with a liturgical dance piece on "Here I Am, Lord" and Bess and Mom were in the handbell choir for "Seek Ye the Kingdom of God." A very musical family, and a welcome addition to the Unity Hill family. We wish Sarah all the best on her newest endeavor.

# UHUCC COOKBOOK

**By: Carol Dunn** A special thanks to everyone that has provided their favorite recipes for the UHUCC Cookbook. We are really pleased with the number of recipes received and the publication date of November is on schedule.

Recipe for **"The Best of Life."** Begin by adding one "new heart." Blend in God's word. Stir frequently with prayer. Pour a full cup of the Holy Spirit, two cups if you like a smoother texture. Add a large measure of God's love and a handful of grace. Allow to rise gently, and serve yourself, your family, and your world a slice of the best of life! It's joy is unspeakable and full of glory.

### UNITY HILL CHURCH PICNIC

We could not have asked for better weather than what we had the day of the church picnic. There were 67 church members and invited guests who traveled to Boothe Memorial Park in Stratford for an afternoon of worship, fellowship, food and fun. On June 8th, the day began with Pastor Todd holding an outdoor worship service, complete with a preview of his Summer of Music songs. The picnic planning team (Renate Krakovich, Carol Dunn, Dawn Brezina, Mabel Buttress, and Sharon Brezina) had covered the tables in red celebrating Pentecost and had gotten the site ready for the day's activities.

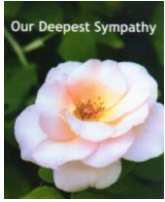

Planning team members "Chef" Bob Krakovich and "Sous Chef" John Rossi were busy grilling the hamburgers and hot dogs over the charcoals to perfection. With the searing heat under the pavilion from the grille, they got a taste of what the fires of hell must be like. Many thanks go out to the church family members who signed up to bring the scrumptious salads and desserts, but we extend a special thank you to Winnie and Indira Wong for their generous donation of the 30 bottles of soda supplied to quench our thirsts.

Following the meal it was time for the various activities to begin. The horseshoe pits on the lower level saw plenty of rivalry between teams with some of the youths "putting it to" the old timers. Sharon was awesome leading two groups of participants in Unity Hill's version of Family Feud, with youths and adults coming up with the most popular answers to questions. However, I don't seem to recall hearing Sharon say those well-known words....**Survey said!** An impromptu volley ball game, minus the net, was held on the ball field. The nearby playground and climbing walls saw plenty of activity also.

At end of day many remarks were heard as to how wonderful of an event and day it was. My personal thanks again to an awesome picnic planning team and especially to church family and friends who made the day a success. Plans are already underway for next year's picnic.

**OUR DEEPEST SYMPATHY** ~ It is with great sadness that the death of the Rev. Dr. Don R. Studer on July 26 is announced. A memorial service was held on Saturday, August 9 at First Church Congregational, Fairfield. Our prayers are with the Rev. Arlene Studer and her family.

**THANK YOU!** The Rev. Arlene Studer would like to thank all who called, sent notes and/or attended the Memorial Service for Don. In a card she sent, Rev. Studer said your support and warmth is deeply felt and means a lot to her and her family. She wrote, "May God bless you and may God's peace surround us all."

**CELEBRATION CORNER!**

Caroline Filan, granddaughter of Bill and Eleanor Csire, will attend Dartmouth College in the fall. She is a recent graduate from Milton High School in Georgia. She graduated at the top of her class and took a total of 14 AP classes throughout high school. Caroline served as President of the Spanish Honor Society, Treasurer of the National English Honor Society, and was an avid member of the National Honor Society, Beta Club, Student Council, Habitat for Humanity, and Mu Alpha Theta. Caroline also started a program at her school to tutor students that are recent immigrants and help them assimilate into the school. In addition to her service, she also swam on the varsity swim team and was a captain during her senior year. Caroline will swim at Dartmouth next year and plans to pursue a degree in Biomedical Engineering to later attend medical school in hopes of becoming a surgeon.

**Reminder** – if there is something exciting taking place in your life, or in your childrens' lives, we would love to share the news. Contact Joanne in the office at 203-374-8822.

**CHURCH COUNCIL**

The next Church Council Meeting will be at 7:00 pm on Monday, September 8. Committee reports to Council are due in the office on, or before, Tuesday, September 2, since Monday is Labor Day.

**MUSIC MINISTRY**

**By: Carole Fanslow**

**News of our choirs ...** Senior Choir will resume rehearsals on Sundays after worship. We are in need of additional singers, especially for the upcoming holiday season. Won't you join us? Many thanks to the Handbell Choir for offering the Prelude on Sunday, August 10. Rehearsals for handbells will be announced shortly.

**YOUTH MUSIC MINISTRY TEAM**

**By: Bob Krakovich, Youth Music Ministry Team Advisor**

With the start of the new Christian Education year, the team is looking for new members. We are looking for youths 12 and older with a desire to sing, either as part of a group, solos, or duets. This year the team will come up with their own schedule as to what they would like to sing and when to practice with me in church. We can then coordinate with Pastor Todd as to a Sunday to perform during the worship service.

Contact me if you would like to be a part of the Youth Music Ministry Team. Preliminary plans are in the early planning stages for the YMMT to perform during the month of October. We look forward to making a joyful noise to our Lord.

**By: Wally Yeager, Chairperson**

We successfully completed our summer project, which was collecting school supplies for "Project Learn." All were given to underprivileged children through the Council of Churches of Greater Bridgeport.

We are getting ready for UCC's next project, Neighbors in Need, a special mission offering of the UCC that supports ministries of justice and compassion throughout the United States. More info will be forthcoming. We are grateful for your continuous help. Thank you and God bless you!

## **BUILDING AND GROUNDS COMMITTEE**

---

**By: Sharon Brezina, Chairperson**

B&G has stayed busy during these summer months.

Among other things we encountered a roof leak around the cupola, a hill that needed big time weeding and a car accident that left us without electricity, internet and phone services for several days.

The copula will soon be removed and the roof patched preventing any more water from coming into the sanctuary and on to the hymnals and pews.

The front hill was weeded and cleared out by our lawn service which made a great difference in the church's appearance.

Recovering from the accident might take a little longer. B&G is doing our best to make sure the church's needs are met properly and in a timely manner. Though there have been some inconveniences, it did allow us to have a Sunday service outside on a beautiful day. It was a great gathering of family, friends and worship. Thanks to all who made it so special. Let's do it again sometime.

So as we wrap up these tasks and move on to new ones, B&G is asking all able hands to help us after services on Sunday, September 21st to pitch in and make this church shine! There will be a job list posted in the hall and we hope you will sign up for one or two. B&G will provide the pizza if you help provide the labor. We will have jobs ranging from organizing areas in the kitchen, to outside labor, to taking inventory of what Unity Hill has. No job is too small - so please come make this day a success.

"And now for the privilege of telling the custodian about the all-night-junior high water-balloon and caramel-corn party."

## **STEWARDSHIP COMMITTEE**

---

**By: Sharon Brezina**

Well it's that time of year and a new program will be rolling out soon. Until then remember... Jesus said, "Where your treasure is, so will your heart be also" (Matthew 6:21). Jesus cared about people's treasures because Jesus cared about people. Jesus knew that the things people support are the things they will value.

### **Two Friends**

Two friends were walking through the desert. During some point of the journey, they had an argument; and one friend slapped the other one in the face. The one who got slapped was hurt, but without saying anything, wrote in the sand, "Today my best friend slapped me in the face." They kept on walking, until they found an oasis, where they decided to take a bath. The one who had been slapped got stuck in the mire and started drowning, but the friend saved him. After he recovered from the near drowning, he wrote on a stone: "Today my best friend saved my life." The

friend who had slapped and saved his best friend asked him, "After I hurt you, you wrote in the sand and now, you write on a stone. Why?" The friend replied "When someone hurts us, we should write it down in sand, where winds of forgiveness can erase it away. But, when someone does something good for us, we must engrave it in stone where no wind can ever erase it."

Learn to write your hurts in the sand and to carve your benefits in stone. Have a great day!! S

## CHRISTIAN EDUCATION COMMITTEE

By: *Mabel Buttress, Chairperson*

### REGISTRATION SUNDAY IS SEPTEMBER 14<sup>TH</sup>!

Christian Ed will be collecting forms (to be mailed out soon), have fun games for the kids, and informing adults about teaching opportunities.

Dear Parents/Guardians,

We are so excited for the 2014-15 Christian Ed year! Attached is a Sunday School Registration Form. Please fill it out and return to church on *Registration Sunday*, September 14<sup>th</sup>. If you're not available to attend, please return it to the Christian Education mailbox, or mail back to the Church Office at 364 White Plains Road, Trumbull CT 06611. Alternatively, you can save yourself a stamp and complete this form on our website at [www.unityhillucc.org](http://www.unityhillucc.org)!

For those 1<sup>st</sup> – 8<sup>th</sup> grade, we are introducing a new Sunday School curriculum called **Grapple**. This curriculum lets the teachers use attention-grabbing lessons with thought-provoking videos, fun games, and deep life-changing Bible lessons that will engage students' attention. This new curriculum is teacher friendly and we hope you will consider joining our teacher rotation schedule. More information will be available at *Registration Sunday*.

In order to accommodate our current membership and teachers, our classes are now divided as follows: Newborn through Kindergarten (*Followers*) will gather in the Nursery for storytime, video lessons, and/or songs. 1<sup>st</sup> through 5<sup>th</sup> graders (*Shepherds*) and middle schoolers (*Disciples*) will gather downstairs to 'Grapple' questions about their faith. Please note that to accommodate for the new curriculum, **children will be reporting straight to their Sunday School classroom at the beginning of service**. Shepherds and Disciples will be returning to the sanctuary every first Sunday of the month for Communion (children will be sitting with their parents, so partaking in communion will be at the parent's discretion).

Also new this year, we will be collecting offerings at Sunday School. We will encourage students to earn money (via chores) and give a share to the church. Money collected will be used to purchase animals through Heifer International. Be on the lookout for more information on this program to learn how the children (and the church) will be involved!

Anyone above 8<sup>th</sup> grade is being asked to stay in the sanctuary during service. Teachers need to focus on their students and having anyone other than those under their care can be a distraction. Should anyone 8<sup>th</sup> grade and below have permission from their parent to not participate in Sunday School, we ask that they stay in the sanctuary with their parent or guardian.

This year, we will be offering a Confirmation Class to those in 7<sup>th</sup> and 8<sup>th</sup> grade. Classes will begin in the Spring, and information will be available to those qualified to participate.

As many of you know, Unity Hill offers scholarship money for attendance at Silver Lake Conference Center. The amount of the scholarship will be determined by the applicant's Sunday School attendance, Youth Group attendance and participation, involvement in fundraising events, and community service completed with, and through, the church youth groups. More information will be available in January 2015.

As always, CE is grateful for the volunteers who make it all possible! We are here to make your child's church experience meaningful and memorable, and appreciate all the help we receive. Remember, it takes a village....

### Sunday School needs YOU!

We're looking for enthusiastic teachers to join us! If you're looking to serve the church but would

rather not be on a committee, we have the right 'job' for you -- choose to work with kids between grades 1-5 (Shepherds) or grades 6-8 (Disciples) – or rotate between the two! Our new curriculum Grapple is completely teacher friendly. Each week, the kids will 'grapple' with a new question, and use the Bible as a guide when seeking answers. The CE Committee will provide you with your weekly curriculum which includes step-by-step instructions. All supplies will be ready and waiting for you!

Having ample teachers guarantees that no one will be overwhelmed, and it'll help the kids get to know more adults in our congregation; it's a win-win! Intrigued? Join us on Registration Sunday for more info. Can't wait? Ask Mabel Buttress to see a sample!

### **HEALTH CORNER**

---

**By: Louise Evans, R.N.**

**What is your Blood Pressure?** It is the pressure of the heart muscle when it is contracting and relaxing. There are two numbers to consider. The higher number is called the Systolic pressure and the lower number is called the Diastolic pressure. The systolic pressure should ideally be 120 or less and the diastolic should be 80 or less. A perfect number might be 120/80. Numbers that are lower are seldom a concern in a healthy person. Hypertension is the name for the disease called High Blood Pressure.

Prehypertension exists when the systolic pressure is between 120 and 140 and/or the diastolic is above 90. This is usually treated with lifestyle changes such as limiting sodium or salt intake, losing weight and reducing alcohol intake.

Hypertension or high blood pressure is present when the systolic pressure is over 140 and/or the diastolic pressure is over 90. It is usually treated with medications. Several kinds of medications are available. A physician needs to write a prescription for these medications.
